

KENT FRANCIS E. KALAW

FULLSTACK DEVELOPER

Kumintang Ilaya, Batangas City | kentfranciskalaw@gmail.com | <https://kentkalaw.vercel.app>

SUMMARY

Motivated IT graduate with a Bachelor's Degree in Information Technology at University of Batangas. A Full-stack developer proficient in web development and database integration with a passion for creating functional, user-friendly, and visually appealing websites. Eager and ready to contribute to team projects while developing my expertise in real-world applications.

PROFESSIONAL EXPERIENCE

Internship, University of Batangas - ITC

January 2025 - May 2025

- Served as a Front-end Developer, implementing and maintaining UI/UX designs using modern front-end frameworks
- Built web applications using Next.js and Laravel, managing databases with Prisma ORM (MySQL)
- Translated system requirements into functional features while ensuring performance, accessibility, and maintainability.

Capstone/Thesis - University of Batangas

May 2024 - December 2024

- Served as a Full Stack Developer, designing and developing a responsive alumni management system using PHP, MySQL, and CSS to enhance alumni engagement.
- Implemented a Yearbook Delivery system with admin approval workflow and order tracking.
- Developed and integrated key modules such as event management and alumni forums to improve communication and user participation
